

NOTICE OF DISCONTINUANCE OF A CLASS ACTION

TAKE NOTICE that on January 25, 2017, the Honorable Justice Pierre-C. Gagnon of the Superior Court authorized the discontinuance of a proposed class action.

The Petitioner was seeking to represent the two proposed groups described below:

“All persons in Canada (including their estates, executors, personal representatives, their dependants and family members), who were prescribed, purchased, used or ingested any Bisphosphonate drugs, including but not limited to the brand name Actonel, manufactured, marketed or distributed by Respondents Procter & Gamble Pharmaceuticals Canada Inc., Procter & Gamble Pharmaceuticals inc., the Procter & Gamble Company, Warner Chilcott Canada Co., Warner Chilcott Pharmaceuticals Inc. and Warner Chilcott PLC and/or any other related companies, or any other Group or Sub-Group to be determined by the Court

All persons in Canada (including their estates, executors, personal representatives, their dependants and family members), who were prescribed, purchased, used or ingested any Bisphosphonate drugs, including but not limited to the brand name Aclasta, manufactured, marketed or distributed by Respondents Novartis Pharma Canada Inc., Novartis Pharmaceuticals Corp., Novartis International AG and/or any other related companies, or any other Group or Sub-Group to be determined by the Court”

By reason of the discontinuance the operation of Article 2908 of the Civil Code of Quebec has ceased and prescription has started to run again. Please take this change into account if you wish to institute court proceedings against one of the respondents in relation to the products Actonel or Aclasta.

This notice has been approved by the court.
