APPLICATION FOR AUTHORIZATION TO INSTITUTE A CLASS ACTION AND TO APPOINT THE
STATUS OF REPRESENTATIVE PLAINTIFF
(ARTICLE 571 AND FOLLOWING C.C.P.)

TO ONE OF THE HONOURABLE JUDGES OF THE SUPERIOR COURT, SITTING IN AND FOR THE
DISTRICT OF MONTREAL, YOUR APPLICANT STATES AS FOLLOWS:

I. GENERAL PRESENTATION

A) THE ACTION

1. Applicant wishes to institute a class action on behalf of the following class, of which he is a member, namely:

Class:

All persons residing in Quebec who, at any time since July 19th, 2013 (the "**Class Period**"), had a contract with any of the Defendants in which they were a subscriber and/or contributor (either primary or joint) for a Registered Education Savings Plan ("**RESP**"), and who were charged a fee (referred to as "**Enrolment Fee**", "**Sales Charge**" and/or "**Membership Fee**"), including the commissions of the distributor and its salesmen, exceeding \$200.00 per plan;

(hereinafter referred to as the "**Class**")

or any other group or subgroups to be determined by the Court;

B) BRIEF OVERVIEW ON RESPS

2. An RESP is a contract, between an individual (the "**Subscriber**") and a person or organization (the "**Promoter**" and/or "**Distributor**"), for an education savings account that is registered with the Government of Canada, Applicant disclosing a publication by the Canada Revenue Agency titled *Registered Education Savings Plans*, **Exhibit P-1**;
3. The Canada Revenue Agency registers the education savings plan contract as an RESP, and lifetime limits are set by Canada's *Income Tax Act* on the amount that can be contributed for each beneficiary;
4. Under the RESP contract, the Subscriber names one or more beneficiaries (the future student(s)) and agrees to make contributions for them, and the Promoter agrees to pay educational assistance payments ("**EAPs**") to the beneficiaries when it comes time to pay for the post-secondary education of the beneficiaries;

5. Canadians can contribute up to \$50,000.00 per child into an RESP and the federal government, as well as some provincial governments will match a certain percentage of the amounts contributed;
6. Anyone can contribute into an RESP for any child (it does not have to be the child's parent necessarily);
7. Children who are beneficiaries of an RESP account will receive the Canada Education Savings Grant ("CESG"), which is money that the federal Government adds to the child's RESP to help their savings grow;
8. The basic CESG provides 20% on every dollar contributed, up to a maximum of \$500.00 on an annual contribution of \$2,500, or up to the first \$5,000 in contributions, if sufficient carry forward room exists;
9. Depending on the child's primary caregiver's net family income, he/she may also be eligible to receive the Additional Canada Education Savings Grant (A-CESG), which adds an additional 10 % or 20 % to the first \$500.00 put into the RESP each year;
10. This CESG is available up until the end of the calendar year in which a child turns 17;
11. Lower income families are also eligible to receive the Canadian Learning Bond ("CLB"), which is \$500.00 offered by the Government of Canada to help and to encourage saving for a child's post-secondary education (the child could also receive \$100.00 per year in CLB until the child turns 15, up to a maximum of \$2,000.00);
12. In addition to the CESG and CLB, Quebec, Saskatchewan, British Columbia and Alberta have education savings incentives whereby the provincial governments will also add money to a RESP;
13. The Quebec Education Savings Incentive ("QESI") was established in 2007 to encourage Quebec families to save more for the post-secondary education of their children and grandchildren, beginning in their infancy;
14. The QESI is a refundable tax credit that is paid directly by the province of Quebec into an RESP;
15. The basic QESI provides 10% on every dollar contributed, up to a maximum of \$250.00 on an annual contribution of \$2,500.00 (as of 2008, any rights accumulated during previous years can be added to the basic amount, up to \$250.00 per year, but could never exceed \$500.00 per year);

C) GROUP PLAN RESPS

16. There are two types of RESP promoters: (i) financial institutions such as banks, credit

- unions and investment firms; and (ii) group plan scholarship providers;
17. The present Application concerns only group plan scholarship providers;
 18. The Defendants engage in the business of distributing, promoting and the sponsoring of group RESP and/or scholarship plans ("**Group Plan(s)**");
 19. Group Plan RESPs are a collection of individual contracts administered for a group of beneficiaries born in the same year;
 20. As Group Plan "**Promoters**", Defendants C.S.T. Consultants Inc., Heritage Education Funds Inc., Universitas Management Inc., Children's Education Funds Inc., Global RESP Corporation and Knowledge First Financial Inc. respectively market, distribute and sell Group Plans to **Subscribers**;
 21. As Group Plan "**Sponsors**", Defendants Canadian Scholarship Trust Foundation, Heritage Educational Foundation, Universitas Foundation of Canada, Children's Educational Foundation of Canada, Global Educational Trust Foundation and Knowledge First Foundation enter into their respective education savings plan agreements with Subscribers and provide governance oversight by supervising the administration of their respective plans;
 22. Defendants operate their respective Group Plans by pooling the individual contributions of each Subscriber with those of other contributors/Subscribers;
 23. Defendants generate an important part of their revenue by charging Class members front-ended "**Sales Charges**" (previously referred to in some prospectuses as "**Enrolment Fees**" and/or "**Membership Fees**") based on the number of "**Units**" purchased by Subscribers (hereinafter the "**Fees**");
 24. A Unit is a share of income available for distribution at maturity (i.e. when the beneficiary can first enroll in a post-secondary program, typically in the year that he/she turns 18);
 25. Subscribers to the Defendants' Group Plans can sign up for one or more Units;
 26. The Unit is the basis for contribution schedules, Sales Charges, Enrolment Fees and/or Membership Fees, as well as for the distribution of investment income;
 27. At maturity, investment income is transferred to a separate pool of funds to be distributed across all Units held by qualifying beneficiaries within the same cohort;
 28. In a pooled Group Plan, the interest that is left behind from cancelled RESPs, plus a portion of the Sales Charges from cancelled plans, gets paid out with the matured plans (this excess interest and sales charges is also called "attrition");

D) THE ISSUE

29. Subsection 1.1 (7) of *Regulation no. 15 Respecting Conditions Precedent to Acceptance of Scholarship or Educational Plan Prospectuses*, c. V-1.1, r. 44, s. 331.1, which came into force in Quebec on September 19th, 2005 (hereinafter "**Regulation no. 15**"), provides:

1.1. The sale of contracts or plans commonly referred to as "scholarship plans" or "scholarship agreements" **must be subject to the following conditions** before the prospectus will be acceptable for filing:

[...]

(7) The fees charged, including the commissions of the distributor and its salesmen, **must not exceed \$200 per plan**. The first \$100 paid under the plan may be applied against this fee and the balance may be deducted at a maximum rate of 50% of each of the further contributions.

30. In their respective prospectuses, each of the Defendants undertakes to comply with *Regulation no. 15*, but in reality, they do not and the Sales Charges, Enrolment Fees and/or Membership Fees charged to Class members by Defendants, including the commissions of the Distributor and its salesmen, exceed \$200.00 per plan;
31. Unlike financial institutions, Defendants charge Class members front-ended Sales Charges, Enrolment Fees and/or Membership Fees;
32. Sales Charges can often cost Subscribers upwards of **several thousand dollars per plan** (Applicant paid Enrolment Fees of **\$6,525.20** for one child and **\$5,194.80** for the other, as detailed herein at paragraph 70);
33. The Sales Charges, Enrolment Fees and/or Membership Fees charged to Class members by Defendants are also abusive under 1437 CCQ (ranging from several hundred to several thousand dollars per plan);
34. The fact that authorities in Quebec regulated that the fees charged for the sale of RESPs (i.e. contracts or plans commonly referred to as "scholarship plans" or "scholarship agreements") including the commissions of the distributor and its salesmen, must not exceed \$200.00 per plan, indicates that a clause providing for charges above \$200.00 per plan is excessive and unreasonably detrimental to the consumer and/or the adhering party and is thus an abusive clause;
35. In August 2008, a report was prepared for Human Resources and Social Development Canada (renamed the Department of Employment and Social Development Canada in 2013), titled *Review of Registered Education Savings Plan Industry Practices* (hereinafter the "**HRSDC Report**"), for the purpose of identifying policies, practices and

contractual arrangements that may impede, deter or harm an individual's ability to save and access funds for a child's post-secondary education, Applicant disclosing the HRSDC Report as **Exhibit P-2**;

36. The HRSDC Report, Exhibit P-2, sheds light on the characteristics of Group Plans which it likens to a "tontine" (see pages 12-13 of the Report):
37. The HRSDC Report also provides an overview of the practices of Group Plan providers, which can be summarized as follows (page 20):

Organisational structure

Scholarship plans are provided by foundations or trusts, i.e., not-for-profit corporations without share capital. The foundation or trust is the "manager" of the group plan. The "distributor" of the plan is a for-profit operating company that markets the plan, and to which the administration of the plan is delegated. At all five group scholarship providers, the distributor is closely linked to the trust. In three cases, the trust owns the distributor...

Marketing

Group scholarship providers market their products proactively in a variety of ways. While advertising through the major media and newspapers is generally considered too expensive, group scholarship providers do market in a myriad of other ways including: participation in trade shows; exhibits and kiosks in malls and shopping centres; contests for a free RESP; placing flyers in doctors' offices; or through advertisements in community newspapers – all targeting families with young children. All providers have web sites. Flyers and prospectuses can be downloaded from some sites; some providers only mail prospectuses. One plan comes with Air Miles.

Many contacts are made by referrals or word of mouth. Sales representatives tend to ask clients if neighbours or friends might be interested. **Ultimately, group scholarship providers sell their product by offering to come to the home** of a potential client to provide one or more information sessions...

The sales force

Group plans are marketed by **sales representatives who are paid a commission per new plan**. Sales representatives tend to be self-employed and are supervised by a manager at the group scholarship trust. The representatives are licensed by the provincial regulatory authorities. They receive training, typically of about one-week in duration, by the Trust. In recent years, provincial securities regulators

have imposed training requirements and set limits on the number of sales representatives per manager. In Quebec, sales representatives are required to take ongoing training in order to keep their professional licence.

Presentation to the client

Generally, the sales people present the key features of their plan and promote it on the basis of advantageous tax treatment and subsidies as well as the enhancements of returns group plans provide. How the particular risks attached to group plans are presented is less clear. Prospectuses provide some information about risks and gains as a result of requirements imposed by provincial regulators. "Know Your Client (KYC)" forms are filled out as required by regulators, and some providers have established guidelines for the amount of contributions in relation to income customers can sign up for.

As required by provincial securities regulations, customers have the right to walk away from their new RESP during the 60 days after signing, with full return of contributions and enrolment fees but not the small insurance fee.

The RESP Dealers Association of Canada (RESPDAC) has adopted a code of sales practices which urges fair dealing and balanced representation. Transfer out of a group plan is specifically addressed: Members agree to discourage subscribers from transferring out of a group plan after 60 days **because they would have no claim on accrued interest and the enrolment fee they paid**. The code stipulates that subscribers who want to transfer to another provider should acknowledge that they have been advised of these financial implications by filling out a Plan Transfer Disclosure Form.

38. Defendants continue to exercise their commercial activities across the province of Quebec in violation of subsection 1.1 (7) of *Regulation no. 15*, despite specifically undertaking to comply with this regulation;
39. Since the coming into force of *Regulation no. 15* on September 19th 2005, each Defendant – year after year – has filed their respective prospectuses (for the sale of contracts or plans commonly referred to as "scholarship plans" or "scholarship agreements") with an undertaking to comply with *Regulation no. 15*, but failed to comply with subsection 1.1(7). Notably, the Enrolment Fees charged by Defendants are in excess of \$200.00 per plan;

II. THE DEFENDANTS AND THEIR VIOLATIONS:

40. Defendants operate their respective enterprises (as defined in third paragraph of article 1525 CCQ) and engage in the carrying on of an organized economic activity, commercial

in nature, consisting of providing the service of promoting, distributing and sponsoring Group Plan RESPs;

41. All of the Defendants' application forms, contracts and prospectuses contain clauses providing that Class members will be charged fees on a per unit basis (which ultimately far exceeds the allowable maximum of \$200.00 per plan);
42. In each of their prospectuses during the Class Period, all of the Defendants undertake to comply with and respect *Regulation no. 15* (also referred to as "**National Policy 15**", "**Regulation No. C-15**", "**NPS-15**" and "**General Instruction C-15**");

C.S.T. Defendants:

43. Defendant **C.S.T. Consultants Inc.** ("**CSTC**"), a wholly-owned subsidiary of Defendant Canadian Scholarship Trust Foundation, is incorporated under the laws of Canada, having its head office in Toronto, Ontario;
44. Defendant **CSTC** commenced operations in 1988 as the exclusive Distributor of CST's Plans in addition to providing administration services to the Foundation and the Plans. In 2010, CSTC was appointed investment fund manager of the Plans and carries out the overall management and administration of the Plans;
45. Defendant **Canadian Scholarship Trust Foundation** is a not-for-profit organization constituted under the law of Canada. It sponsors and provides governance and oversight over the Plans (Including the *Group Savings Plan 2001* and the *Group Savings Plan*). In its role as plan Sponsor and provider of governance and oversight in respect of the Plans, the CST Foundation supervises and performs specific functions, including entering into the education savings plan agreements with the Subscribers;
46. The CST Defendants' 2015 prospectus (dated October 21st, 2015) contains the following, Applicant disclosing **Exhibit P-3** (see pages 10 and 13):

The investment of your Contributions, Grants and the Income earned on them must comply with restrictions contained in the *Income Tax Act* (Canada) and the administrative policies of the Canadian Securities Administrators. **The Plans are managed in accordance with the investment restrictions set out in National Policy Statement No. 15 Conditions Precedent to Acceptance of Scholarship or Educational Plan Prospectuses** as modified by the undertaking to the Ontario Securities Commission and every other securities regulatory authority in the provinces and territories of Canada where the Plans are managed and distributed to the public. The undertaking is incorporated by reference into this prospectus and is available for review on our website www.cst.org or the SEDAR website www.sedar.com.

[...]

The Plans are managed in accordance with the investment restrictions set out in National Policy Statement No. 15 *Conditions Precedent to Acceptance of Scholarship or Educational Plan Prospectuses* and the administrative policies of the Canadian Securities Administrators.

47. C.S.T.'s prospectus, Exhibit P-3, sets out the Sales Charges at page 21, which clearly contradicts C.S.T.'s undertaking to comply with *Regulation 15*;
48. Defendants C.S.T. Consultants Inc. and Canadian Scholarship Trust Foundation confirm at page 21 of their prospectus, Exhibit P-3, that the fee of **\$200.00 per unit** charged to Class members "*is for paying commissions to your sales representative, and covering the costs of selling your plan*", and this in violation of *Regulation no. 15*;
49. Defendants C.S.T. Consultants Inc. and Canadian Scholarship Trust Foundation further state that: "*All of your first 11 Contributions go toward the sales charges until half of the sales charges are paid off. Half of your next 21 Contributions go toward the sales charges until they are fully paid off. Altogether, it will take 32 months to pay off the sales charges. During this time, 34% of your Contributions will be invested in your plan*";

Universitas Defendants

50. Defendant **Universitas Management Inc.**, a joint stock company governed by the *Quebec Business Corporations Act*, acts as the investment fund manager and plan Distributor. Universitas Management Inc. is a wholly-owned subsidiary of Defendant Universitas Foundation of Canada. Universitas Management Inc. is registered as an investment fund manager and scholarship plan dealer pursuant to the *Quebec Securities Act*;
51. Defendant **Universitas Foundation of Canada** is a not-for-profit organization constituted under the laws of the province of Quebec. The Foundation is the Sponsor of the Universitas Plans (including the Universitas and REEFLEX plans) and oversees the administration and management of each plan sold by Universitas Management Inc.;
52. Both Defendants Universitas Management Inc. and Universitas Foundation of Canada have their head offices in Quebec City, Quebec;
53. The Universitas Defendants refer to *Regulation no. 15* at pages 16 and 57 of their 2015 prospectus (dated November 30th, 2015), Applicant disclosing **Exhibit P-4**:

investments provided for under *Regulation No. C-15 Respecting Conditions Precedent to Acceptance of Scholarship or Educational Plan Prospectuses*. The changes thus authorized specifically target the ability to invest up to 100% of accumulated income (i.e., the Other Funds) in Canadian equities, subject to compliance with the investment policies and objectives.

[...]

EXEMPTION AND APPROVAL UNDER SECURITIES LAWS

In 2001, pursuant to Decision No. 2001-C-0383 of the *Autorité des marchés financiers* (previously the Quebec Securities Commission), **the Foundation obtained an exemption from application of Article 4 of the General Instruction C-15 – Conditions Precedent to Acceptance of the prospectus of university educational plan foundations** in order to allow the Foundation to invest the assets in its account in shares of common stock in companies. For more details on the investment terms and conditions stipulated in Decision No. 2001-C-0383, see the “Investment Objectives, Strategies and Restrictions” section.

54. In its 2015 prospectus, Exhibit P-4, Universitas refers to Decision No. 2001-C-0383. This decision only provides Universitas with an exemption from article 4 of *Regulation No. 15* and therefore all other articles of *Regulation No. 15* continue to apply in all other aspects (including articles 7 and 11 concerning maximum allowable enrolment fees);
55. Defendants Universitas Management Inc. and Universitas Foundation of Canada fail to comply with their undertaking to respect *Regulation no. 15*, as it appears from the “Reflex Plan” section of their prospectus, Exhibit P-4 (see page 28 of prospectus);

60. Defendants Heritage Education Funds Inc. and Heritage Educational Fund also unlawfully exercise their commercial activities by failing to comply with their undertaking to respect *Regulation no. 15*, as it appears from the "Heritage Plans" section at page 23 of the prospectus, Exhibit P-5;
61. Under the heading "Fees You Pay", Defendants Heritage Education Funds Inc. and Heritage Educational Fund state that there is a charge of \$100 per unit, which contradicts their undertaking to comply *Regulation no. 15*;

86. Applicant signed the standard form Application for his child Haiyuan Wang (Plan #22008497) on or around February 1st, 2015, Applicant disclosing a copy of his Education Savings Plan Agreement with C.S.T. for Haiyuan as **Exhibit P-10**;
87. Applicant had agreed to contribute \$4,999.93 per year (with a total of 10 annual contributions beginning on February 6th, 2015), which amounted to 32.626 units for Haiyuan in the *Group Savings Plan 2001*;
88. Defendant C.S.T. Consultants Inc. charged Applicant **\$6,525.20** on account of Sales Charges for these for 32.626 units (\$200 x 32.626 units), as it appears from Exhibit P-10;
89. Defendant C.S.T. Consultants Inc. thus unlawfully charged Applicant **\$6,325.20** above the \$200 legal maximum for his first RESP (Plan #22008497), and this in violation of subsection 1.1 (7) of *Regulation no. 15* which provides that the fees charged, including the commissions of the distributor and its salesmen, must not exceed \$200 per plan – which the C.S.T. undertook to comply with in their 2014 prospectus (dated May 29th,

2014), Applicant disclosing **Exhibit P-11** (see pages 1 and 10 regarding C.S.T.'s undertaking to comply with *Regulation No. 15*);

Applicant's 2nd RESP

90. Applicant signed the standard form Application for his child Xuyuan Wang (Plan #22008489) on or around February 1st, 2015, Applicant disclosing a copy of his Education Savings Plan Agreement with C.S.T. for Xuyuan as **Exhibit P-12**;
91. Applicant had agreed to contribute \$5,000.00 per year (with a total of 10 annual contributions beginning on February 6th, 2015), which amounted to 25.974 units for Xuyuan in the *Group Savings Plan 2001*;
92. Defendant C.S.T. Consultants Inc. charged Applicant **\$5,194.80** on account of Sales Charges for these for 25.974 units (\$200 x 25.974 units), as it appears from Exhibit P-12;
93. Defendant C.S.T. Consultants Inc. thus unlawfully charged Applicant **\$4,994.80** above the \$200 legal maximum for his first RESP (Plan #22008489), and this in violation of subsection 1.1 (7) of *Regulation no. 15* which provides that the fees charged, including the commissions of the distributor and its salesmen, must not exceed \$200 per plan – which the C.S.T. undertook to comply with in their 2014 prospectus (dated May 29th, 2014), Exhibit P-11 (see pages 1 and 10 regarding C.S.T.'s undertaking to comply with *Regulation No. 15*);
94. In its 2014 prospectus which applies to Applicant's plans (Exhibit P-11), C.S.T. states that it recognizes and complies with *Regulation No. 15*, which is false;
95. By charging Applicant more than \$200 per plan, C.S.T. failed to comply with section 1.1(7) of *Regulation No. 15* (which is what they undertook to do by including this in their prospectuses year after year) and are therefore liable to reimburse Applicant the total sum of \$10,189.60 for both plans;
96. In June of 2017 Applicant terminated both his plans and C.S.T. refused to reimburse Applicant any portion of the Sales Charges he paid;

B) THE CLAIMS OF THE MEMBERS OF THE CLASS RAISE IDENTICAL, SIMILAR OR RELATED ISSUES OF LAW OR FACT:

97. All Class members, regardless of which of the Defendants they contracted with, have a common interest both in proving the commission of a violation of a rule of law within their contracts (the violation of subsections 1.1 (7) and (11) of *Regulation no. 15* in the present case) by all of the Defendants and in maximizing the aggregate of the amounts unlawfully charged to them by Defendants;
98. The nature of the interest necessary to establish the standing of the Applicant must be

viewed from the perspective of the common interest of the proposed Class, and not solely from the perspective of the Applicant/representative plaintiff;

99. In this case, the legal and factual backgrounds at issue are common to all the members of the Class, namely whether the Defendants violate subsections 1.1 (7) and (11) of *Regulation no. 15* by charging Enrolment Fees greater than \$200.00 per plan;
100. The claims of every member of the Class are founded on very similar facts to the Applicant's claim;
101. In Quebec, all of the Defendants unlawfully charge above \$200.00 per plan when selling contracts or plans commonly referred to as "scholarship plans" or "scholarship agreements";
102. Defendants' conduct is unlawful because the fees charged by Defendants for their scholarship plans and/or scholarship agreements, including the commissions of the distributor and its salesmen, exceed \$200.00 per plan;
103. Every member of the Class subscribed to an RESP with one of the Defendants;
104. Every member of the Class signed a contract of adhesion (standard form contract) with one of the Defendants;
105. All of the Defendants have failed to respect their undertaking to comply with *Regulation No. 15* and have caused damages to Class members as a result thereof;
106. Defendants are liable towards Class members for the damages caused by their failure and are bound to make reparation for the damages;
107. Each Defendant unlawfully charged an amount in excess of \$200.00 per plan to every Class member who subscribed to an RESP with any of the Defendants who undertook to comply with *Regulation No. 15* (which provides that the enrolment fees cannot exceed \$200.00 per plan);
108. Each of the Defendants' Agreements contain the same (or very similarly drafted) abusive clause concerning the Sales Charges/Enrolment Fees;
109. Every Class member has suffered damages equivalent to the difference between the unlawfully inflated price charged by Defendants for their RESP and the \$200.00 maximum per plan provided for by section 1.1(7) of *Regulation No. 15*;
110. Every Class member has a right to ask this honorable Court to declare the abusive clause null, or, alternatively, that their obligations under the abusive clause be reduced to the maximum of \$200.00 per plan provided for under section 1.1(7) of *Regulation No. 15*;
111. The same legal issues are present in the action of each Class member against each

- Defendant (each Defendant faces more or less the same issues regarding the interpretation and application of subsections 1.1 (7) and (11) of *Regulation no. 15*, and article 1437 C.C.Q. concerning abusive fees);
112. By reason of Defendants' unlawful conduct, Applicant and members of the Class have suffered damages, which they may collectively claim against the Defendants;
 113. Although the Applicant himself does not have a personal cause of action against, or a legal relationship with, each of the Defendants, the Class contain enough members with personal causes of action against each Defendant;
 114. The facts and legal issues of the present action support a proportional approach to class action standing that economizes judicial resources and enhances access to justice;
 115. All of the damages to the Class members are a direct and proximate result of the Defendants' misconduct;
 116. The damages sustained by the Class members flow, in each instance, from a common nucleus of operative facts, namely, Defendants' undertaking to comply with *Regulation No. 15* and then charging Enrolment Fees/Sales Charges which are not in conformity with section 1.1(7) of *Regulation No. 15*;
 117. All members of the Class are justified in claiming the sums which they unlawfully overpaid to Defendants as Enrolment Fees, Sales Charges and/or Membership Fees for their RESPs;
 118. In taking the foregoing into account, the following damages may be claimed against the Defendants:
 - a) reimbursement of the aggregate of the sums unlawfully overcharged in excess of \$200.00 per plan during the Class Period;
 119. Individual questions, if any, pale by comparison to the numerous common questions that are significant to the outcome of the present Application;
 120. **The questions of fact and law raised and the recourse sought by this Application are identical with respect to each member of the Class, namely:**
 - a) Did Defendants fail to comply with their undertakings in their respective prospectuses to respect *Regulation no. 15*?
 - b) If so, must Defendants reimburse Class members the Enrolment Fees charged above \$200.00 per plan (in violation of subsection 1.1 (7) of *Regulation no. 15*)?
 - c) Is the clause providing for Enrolment Fees in excess of \$200.00 per plan

abusive under article 1437 CCQ and, if so, what is the appropriate remedy?

- d) When does prescription start for Class members and what are the factors common to the Class members regarding the impossibility in fact to act?

C) THE COMPOSITION OF THE CLASS:

121. The composition of the Class makes it difficult or impracticable to apply the rules for mandates to take part in judicial proceedings on behalf of others or for consolidation of proceedings;
122. Applicant is unaware of the total number of the Defendants' clients or Class members who opened an RESP with the Defendants, nor is Applicant aware of the total number of RESPs sold by Defendants to Class members during the Class Period;
123. However, Applicant is aware that approximately 100 people "signed up" to Class Counsel's website for Mr. Segalovich's case against the Defendants (the redacted list of Class members was filed as Exhibit P-24 in C.S.M. #500-06-000803-169);
124. Moreover, on its website, the RESP Dealers Association of Canada (RESPDAC) boasts that as of December 31st, 2014, its members (Defendants Global RESP Corporation, Heritage Education Funds Inc., Knowledge First Financial Inc. and Universitas Management Inc.) "*administered over \$10 billion in RESP assets on behalf of Canadians. Each year, **hundreds of thousands of students** are able to attend college or university, thanks to RESPs provided by our member firms*" (<http://www.respdac.com>);
125. For its part, Defendant Canadian Scholarship Trust Foundation claims that "*CST currently manages \$4.2 billion in assets for more than 250,000 Canadian families*" (<http://www.cst.org/en/Group-Plan>);
126. According to the HRSDC Report, Exhibit P-2, there was a total of **\$118 million in Enrolment Fees** charged in 2006 by Defendants C.S.T. Consultants Inc., Children's Education Funds Inc., Heritage Education Funds Inc., USC (currently operating as Knowledge First Financial Inc.) and Universitas Management Inc. (Table A11 of the HRSDC Report, at pages 44-45);
127. Based on the above information, the aggregate amount of Enrolment Fees/Sales Charges unlawfully collected by the Defendants in the province of Quebec during the Class Period is likely in the millions of dollars;
128. The number of persons included in the Class is estimated to be in the tens of thousands;
129. The names and addresses of all persons included in the Class are not known to the Applicant, however, are in the possession of the Defendants;

130. Class members are very numerous and are dispersed across Quebec and elsewhere;
131. In these circumstances, a class action is the only appropriate procedure for all of the members of the Class to effectively pursue their respective rights and have access to justice without overburdening the court system;

D) THE CLASS MEMBER REQUESTING TO BE APPOINTED AS REPRESENTATIVE PLAINTIFF IS IN A POSITION TO PROPERLY REPRESENT THE CLASS MEMBERS:

132. Applicant is a member of the Class;
133. Around October of 2017, Applicant learnt that Mr. Moshe Segalovich had filed a class action against the Defendants essentially seeking reimbursement of the fees he paid in excess of \$200 per plan (C.S.M. #500-06-000803-169);
134. Applicant contacted and met with class counsel in October of 2017 and asked to be kept up to date on the class action;
135. On June 14th, 2018, Applicant learnt that Mr. Segalovich's application was dismissed at authorization because the Court found that his claim was prescribed and that article 575(4) was therefore not satisfied;
136. The Court found that the other three criteria of article 575 C.C.P. were satisfied and specifically concerning article 575 (2) C.C.P. the Court wrote:

[23] The overall case is not clear in the current state of the file, but one thing does seem to be clear: **Applicant has at least established an arguable thesis.**

[24] Accordingly, the Court must hold that Applicant has satisfied the test imposed by article 575(2) C.C.P. Based on the *approche souple, liberale et genereuse* that the Defendants admit must be followed at authorization, **the facts alleged appear to justify the conclusions sought.** Whether or not this would pass muster on a balance-of-probabilities test is not part of the equation at this stage.

[our emphasis underlined in bold]

137. Without admitting whether Mr. Segalovich's claim is prescribed or not, Applicant is filing the present action because he wants to obtain justice and compensation for himself and all other Class members for who, prescription was suspended when Mr. Segalovich filed his claim on July 19th, 2016 (pursuant to article 2908 CCQ);
138. Consequently, Applicant requests that he be appointed the status of representative plaintiff for the following main reasons:
 - a) he is a member of the Class and has a personal interest in seeking the conclusions

that she proposes herein;

- b) he is competent, in that she the potential to be the mandatary of the action if it had proceeded under article 91 of the *Code of Civil Procedure*;
- c) his interests are not antagonistic to those of other Class Members;

139. Additionally, Applicant respectfully adds that:

- a) he has the time, energy, will and determination to assume all the responsibilities incumbent upon her in order to diligently carry out the action;
- b) he mandated him on June 15th, 2018 to file the present application for the sole purpose of having his rights, as well as the rights of other Class members, recognized and protected so that they may be compensated for the damages that they have suffered as a consequence of Defendants' illegal and abusive behavior and so that they Defendants can be held accountable for their misconduct;
- c) he cooperates and will continue to fully cooperate with his attorney, who has experience in consumer protection-related class actions;
- d) he understands the nature of the action;

140. As for identifying other Class members, Applicant draws certain inferences from the situation and realizes that by all accounts, there is a very important number of Class members that find themselves in an identical situation, and that it would not be any more useful for him to attempt to identify them given their sheer number;

141. For the above reasons, Applicant respectfully submits that his interest and competence are such that the present class action could proceed fairly and in the best interest of Class members;

IV. DAMAGES

142. By reason of Defendants' unlawful conduct (breach of *Regulation no. 15* which they all undertook to comply with), the Applicant and the members of the Class have suffered a prejudice, which they wish to claim, every time Defendants charged an amount in excess of over \$200.00 per plan;

143. During the Class Period, Defendants have likely generated millions of dollars while intentionally failing to comply with *Regulation no. 15*, by charging Enrolment Fees, Sales Charges and/or Membership Fees in excess of \$200.00 per plan;

144. Defendants' misconduct is to the detriment of vulnerable families;

145. Consequently, the Defendants have breached several obligations imposed on them by

the *Civil Code of Quebec*, as well as by securities legislation and regulations in Quebec, including:

- a) Quebec's *Regulation no. 15 Respecting Conditions Precedent to Acceptance of Scholarship or Educational Plan Prospectuses*, c. V-1.1, r. 44, subsection 1.1 (7) and subsection 1.1 (11);
- b) The *Civil Code of Quebec*, including articles 1437 and 1458;

V. THE CLASS

146. The Class for whom the Applicant intends to act is described in the first paragraph of this Application and includes all person who, during the Class Period had an RESP agreement with any of the Defendants in which they were a Subscriber and/or contributor (either primary or joint) and were charged a fee (referred to as "Enrolment Fee", "Sales Charge" and/or "Membership Fee"), including the commissions of the distributor and its salesmen, exceeding \$200.00 per plan;
147. It is worth emphasizing that prescription was suspended for all Class members on July 19th, 2016, when Mr. Segalovich filed his action (S.C.M. #500-06-000803-169) on behalf of the Class (article 2908 CCQ);

VI. NATURE OF THE ACTION AND CONCLUSIONS SOUGHT

148. The action that the Applicant wishes to institute on behalf of the members of the Class is an action in damages and declaratory judgment;
149. The conclusions that the Applicant wishes to introduce by way of an Application to Institute Proceedings are:

GRANT Plaintiff's class action against Defendants on behalf of all Class members;

CONDEMN the Defendants to pay to Qing Wang and to the members of the Class compensatory damages for the aggregate of the difference between the amounts charged per plan as Enrolment Fees, Sales Charges and/or Membership Fees and the legal maximum of \$200.00 per plan provided for under section 1.1(7) of *Regulation no. 15*, and **ORDER** collective recovery of these sums;

SUBSIDIARILY,

DECLARE abusive the following clause which appears in the Defendants' contracts of adhesion in the following, or similar terms:

"You acknowledge that a sales charge of \$_____ (_____ units x \$200 per unit) is deducted from early contributions.

The sales charge is deducted from your contribution as follows:

All of your contributions are applied to the Sales Charge until it is one-half paid.

After that, only one half of contributions will be applied to the Sales Charge until it is fully paid."

REDUCE the obligations of Class members arising from the abusive clause so that they only pay the maximum of \$200.00 per plan provided for under section 1.1(7) of Regulation no. 15;

CONDEMN the Defendants to pay interest and the additional indemnity on the above sums according to law from July 19th, 2016;

ORDER that the claims of individual Class members be the object of collective liquidation if the proof permits and alternately, by individual liquidation;

ORDER the Defendants to deposit in the office of this Court the totality of the sums which forms part of the collective recovery, with interest and costs;

CONDEMN the Defendants to bear the costs of the present action including the cost of notices, the cost of management of claims and the costs of experts, if any, including the costs of experts required to establish the amount of the collective recovery orders;

RENDER any other order that this Honourable Court shall determine;

150. The interests of justice favour that this Application be granted in accordance with its conclusions;

VII. JURISDICTION

151. The Applicant suggests that this class action be exercised before the Superior Court of the province of Quebec, in the judicial district of Montreal, since he is domiciled and resides in the district of Montreal.

FOR THESE REASONS, MAY IT PLEASE THE COURT:

GRANT the present Application;

AUTHORIZE the bringing of a class action in the form of an originating application in damages;

or any other group to be determined by the Court;

- a) Did Defendants fail to comply with their undertakings in their respective prospectuses to respect *Regulation no. 15*?
- b) If so, must Defendants reimburse Class members the Enrolment Fees charged above \$200.00 per plan (in violation of subsection 1.1 (7) of *Regulation no. 15*)?
- c) Is the clause providing for Enrolment Fees in excess of \$200.00 per plan abusive under article 1437 CCQ and, if so, what is the appropriate remedy?
- d) When does prescription start for Class members and what are the factors common to the Class members regarding the impossibility in fact to act?
