  - (d) “**Database**” means the web-based database in which the Administrator stores information received from the Claimants and/or acquired through the claims process;
  - (e) “**Distribution**” means payment to Authorized Claimants in accordance with this Plan of Allocation, the Agreement and any order of the Court;
  - (f) “**Distribution List**” means a list containing the name and address of each Authorized Claimant, the calculation of his/her/its net loss and the calculation of the Authorized Claimant’s *pro rata* share of the Compensation Fund;
  - (g) “**Escrow Account**” means the trust account holding the Compensation Fund and used by the Administrator to make the Distribution in accordance with this Plan of Allocation;

- (h) "**Maximum Entitlement**" means an Authorized Claimant's actual loss on Eligible Securities, as calculated pursuant to the formula set forth in section 7 herein;
- (i) "**Reference**" means the procedure by which a Claimant who disagrees with the Administrator's decision relating to eligibility for compensation, the determination of the number of Eligible Securities, or the amount of the Distribution, may appeal the Administrator's decision and have it reviewed by the Referee;

- (k) "**Website**" means the website at Amayasecuritiessettlementcanada.ca

#### **THE OVERVIEW**

#### **CALCULATION OF THE DISTRIBUTION AND MAXIMUM ENTITLEMENT**

- 3. The Distribution to Primary Market Sub-Class Authorized Claimants will be capped at CDN \$2,500,000, minus the pro rata payment of Class Counsel Fees and Administration Expenses. Any remainder after the Primary Market Authorized Claimants have been paid, or if no such payment is effected, will revert to and be paid to Secondary Market Sub-Class Authorized Claimants;

4. The Distribution to each Authorized Claimant will be calculated by the Administrator by allocating the Compensation Fund to the Primary and Secondary Markets and then by dividing the Compensation Fund in each sub-class by the total number of Eligible Securities for all Authorized Claimants in each Sub-Class to arrive at a per Eligible Security distribution amount defined herein as the "***Pro Rata Distribution***";
5. The Administrator will then multiply the *Pro Rata* Distribution by the number of Eligible Securities held by an Authorized Claimant to arrive at the Distribution to be paid to each Authorized Claimant;
6. In no event shall an Authorized Claimant receive a Distribution greater than his/her/its Maximum Entitlement;
7. The Maximum Entitlement shall be calculated as follows:
  - (a) For Eligible Securities disposed of on or before April 6, 2016, the difference between the average price paid for those Eligible Securities (including any commissions paid in respect thereof) and the price received upon the disposition of those Eligible Securities (without deducting any commissions paid in respect of the disposition), multiplied by the number of the Eligible Securities;
  - (b) For Eligible Securities not disposed of on or before April 6, 2016, the lesser of:
    - i. An amount equal to the difference between the average price paid for those Eligible Securities (including any commissions paid in respect thereof) and the price received upon the disposition of those Eligible Securities (without deducting any commissions paid in respect of the disposition); and
    - ii. An amount equal to the number of Eligible Securities not disposed of by an Authorized Claimant, multiplied by the difference between the

average price paid for those Eligible Securities (including any commissions paid in respect thereof determined on a per security basis) and the ten-day volume-weighted average trading price for those Eligible Securities following March 23, 2016.

## **CALCUL DE LA DISTRIBUTION ET DU DROIT MAXIMAL A LA COMPENSATION**

La distribution pour chaque demandeur autorisé sera calculée par l'administrateur en divisant le fonds d'indemnisation par le nombre total de valeurs mobilières éligibles pour tous les demandeurs autorisés, pour arriver à un montant de distribution par valeur mobilière éligible défini dans les présentes comme la «distribution *pro rata*». Les membres du groupe doivent fournir les informations pour remplir les sections A, B, C, D, E et F avec les documents à l'appui.

L'administrateur multipliera ensuite la distribution *pro rata* par le nombre de valeurs mobilières éligibles détenues par un demandeur autorisé pour arriver à la distribution à verser à chaque demandeur autorisé.

En aucun cas, un demandeur autorisé ne recevra une distribution supérieure à son droit maximal à la compensation.

**Les membres du groupe doivent fournir les informations et les documents à l'appui suivants :**

A. Nombre de valeurs mobilières éligible achetées « A »	
B. Nombre de valeurs mobilières éligibles aliénées le ou avant le 6 avril 2016, “B”	
C. Le prix moyen payé pour l'acquisition des valeurs mobilières éligibles, incluant les commissions, “C”	
D. Le prix moyen reçu en paiement pour l'aliénation des valeurs mobilières éligibles, sans déduction faite des commissions, “D”	
E. Nombre de valeurs mobilières éligibles non-aliénées le ou avant le 6 avril, 2016 “E”	
F. Le nombre de valeurs mobilières éligibles aliénées le 6 avril 2016 “F”	

Je déclare sous peine de parjure et de disqualification de recevoir un paiement du Fonds d'indemnisation, en vertu des lois de la province de Québec, que toutes les informations, documents, calculs et identité ci-dessus fournis dans mon dossier de réclamation par le soussigné sont véridiques, exacts et corrects.
